

Floor Plan Option 2A

FLOOR PLAN OPTION 2A

OPTION 2A (IN ADDITION TO ALL THAT IS ACCOMPLISHED IN OPTION 1)

(Estimated Cost \$ 1,200,000)

ADDRESSES THESE CRITICAL NEEDS:

- Poor location and hospitality of offices and entry way
- Education wing that is not very child friendly nor comfortable
- Asbestos flooring in education wing
- Long distance between nursery and worship hall

WHAT WE GAIN:

- All offices relocated and clustered adjacent to main entry
- Greatly enhanced entry way for improved light and visibility
- Remodeled former office suite into an adult meeting/meditation space and classroom
- Newly configured education wing rooms to create more classroom, music and youth space
- New zoned HVAC systems for relocated office suite and new adult meeting/meditation spaces.

NEXT GENERATION MINISTRY OPPORTUNITIES:

- Greatly enhanced space for children and youth in education wing
- Increased space for music and arts
- More accessible and welcoming nursery space for children and their parents
- More efficient use of space for staff offices and for engaging visitors/guests in the building.
- Creation of small meditative space for discussion, programs, and retreats.
